

Aphrodite Humorous Regency Novel: A Laugh-Out-Loud Journey into the Regency Era

Are you ready to dive into the fascinating world of the Regency Era? Brace yourself for an uproariously funny journey with Aphrodite Humorous, a regency novel that will keep you laughing from beginning to end. With its witty dialogue, quirky characters, and unexpected twists, this novel is a delightful escape into an era known for its elegance and wit.

At the heart of this charming story is the vivacious Aphrodite, a young woman who finds herself stumbling into one hilarious situation after another. With her quick wit and infectious personality, she navigates the

rigid society of the Regency Era with comical finesse, challenging traditional norms and turning everything upside down.

APHRODITE: a humorous Regency novel (Regency Goddesses Book 2) by DG Rampton(Kindle Edition)

The Regency Era, characterized by its lavish balls, intricate societal rules, and romantic pursuits, serves as the perfect backdrop for this humorous tale. The author cleverly captures the essence of the era, transporting readers to a time where propriety and social hierarchies ruled. But don't be mistaken – this is no ordinary, cliché Regency novel. Aphrodite Humorous sets itself apart by infusing the story with a refreshing and unconventional sense of humor.

From the moment you open the pages of this novel, you'll be hooked by the vivid descriptions and relatable characters. Get ready to meet the dashing, yet clueless Mr. Darcy, who finds himself unintentionally entangled in Aphrodite's misadventures. As their paths collide, sparks fly and laughter follows, making for an unforgettable reading experience.

What sets Aphrodite Humorous apart from other Regency novels is its ability to balance humor with the glamour and sophistication of the era. The author expertly weaves together the romantic tension and the hilarious mishaps, creating a story that keeps readers engaged and entertained throughout.

The secondary characters in the novel are equally captivating and add depth to the overall narrative. From the mischievous best friend who constantly lands herself in scandalous situations to the strict society matron who disapproves of Aphrodite's antics, each character brings their own flavor to the story, making the novel a true ensemble of comedic brilliance.

Regency Goddesses is a series that promises laughter, wit, and unexpected surprises. Aphrodite Humorous is just the beginning of this exciting journey, and readers can look forward to future installments that explore the lives and escapades of other fascinating characters within the Regency era.

So, whether you're a fan of Regency novels, someone seeking a lighthearted escape from reality, or simply craving a good laugh, Aphrodite Humorous is the perfect choice. Take a break from the mundane and immerse yourself in a world that combines elegance with hilarity. Prepare to be captivated by the whimsical antics of Aphrodite and her companions as they embark on a laugh-out-loud journey through the Regency Era.

A sparkling read for fans of Jane Austen, Georgette Heyer and Bridgerton.

- ♥ a Regency Christmas
- ♥ a masterful heroine
- ♥ a betrothed hero
- ♥ a match-making grandmother (and retired courtesan)

"Best Regency romance book I have read in years." - K. E. Timbreza

"Aphrodite is an enthralling Regency romp full of endearing and meddlesome characters, a stubborn hero and heroine, and hilariously entertaining mix-ups and tangles!" - Austenesque Reviews

"Truly witty, delightful characters....The author has mastered the art of satire with a heart." - Dragonlady

"I fail to see why you expect me to put up with your acerbic charm? Others of your acquaintance might be inclined to do so, but I, strange creature that I am, will not!"

When the beautiful Miss April Hartwood arrives in London to be introduced to Regency high society, she hopes for some fun and frivolity after a life spent in rural obscurity in Cornwall. Unfortunately for her, her grandmother has other ideas...marriage. Lively and strong-willed, April does not appreciate being compelled to catch a husband. Yet, before long, she finds herself courting the affections of the Duke of Claredon, while struggling with a wholly inappropriate attraction to the insufferable Mr Royce.

In the lead up to Christmas, in the year 1820, a delightfully devious campaign is orchestrated to bring together two people destined for one another, regardless of the obstacles to be overcome and the inconvenient tendency on the part of the protagonists to resist their attraction...until they are finally brought to realise they cannot escape fate, or the meddling of one determined grandmother!

Author's Comments:

- The novels in the Regency Goddesses series are standalone and can be enjoyed in any order (although, there is one minor character who makes an appearance in all three novels - have you discovered them yet?).
- For those of you who are wondering what to expect in terms of heat, the content is sexually charged but perfectly clean.
- As I like to stay in period as much as possible, all spelling follows British English conventions.
