The lead NTSB air-crash investigator—trapped between a stealth drone and a hard crash.

A US Air Force C-130 transport plane, bearing top-secret cargo, lies shattered in the Nevada desert at Area 51's Groom Lake. China's prototype fifth-generation jet fighter goes missing. Far above, a stealth drone flies a very lethal, and very covert Black Op. The CIA, the US military command, and the secretive National Reconnaissance Office are all locked in a political battle for control of the nation's future.

Miranda Chase, the NTSB's autistic air-crash genius investigator, lands in the center of the gathering maelstrom. Burdened with a new team and a unique personality, she must connect the pieces to stay alive. And she must do it before the wreckage of her past crashes down upon her and destroys US-China relations forever.
