## The Reading List Guide

Buckle up, because we are about to embark on an exciting journey through the Hawkins Unofficial Reading List Guide, packed with thrilling discoveries and captivating stories.

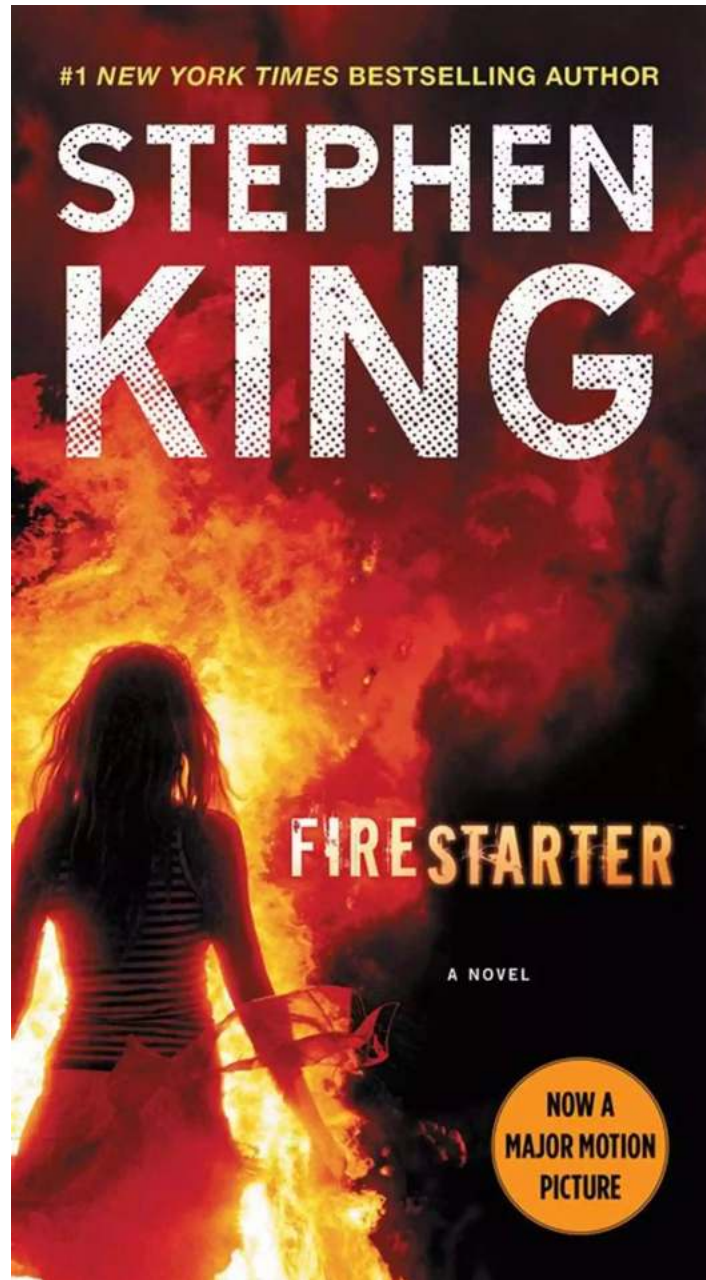

## **1. The Montauk Project by Preston Nichols**

This is where it all began – the inspiration behind the original concept of *Stranger Things*. The Montauk Project explores claims of secret

government experiments conducted on Long Island in the 1980s. These experiments involve time travel, psychic abilities, and interdimensional travel. It's a mind-bending read that will leave you questioning what could be happening behind closed doors.

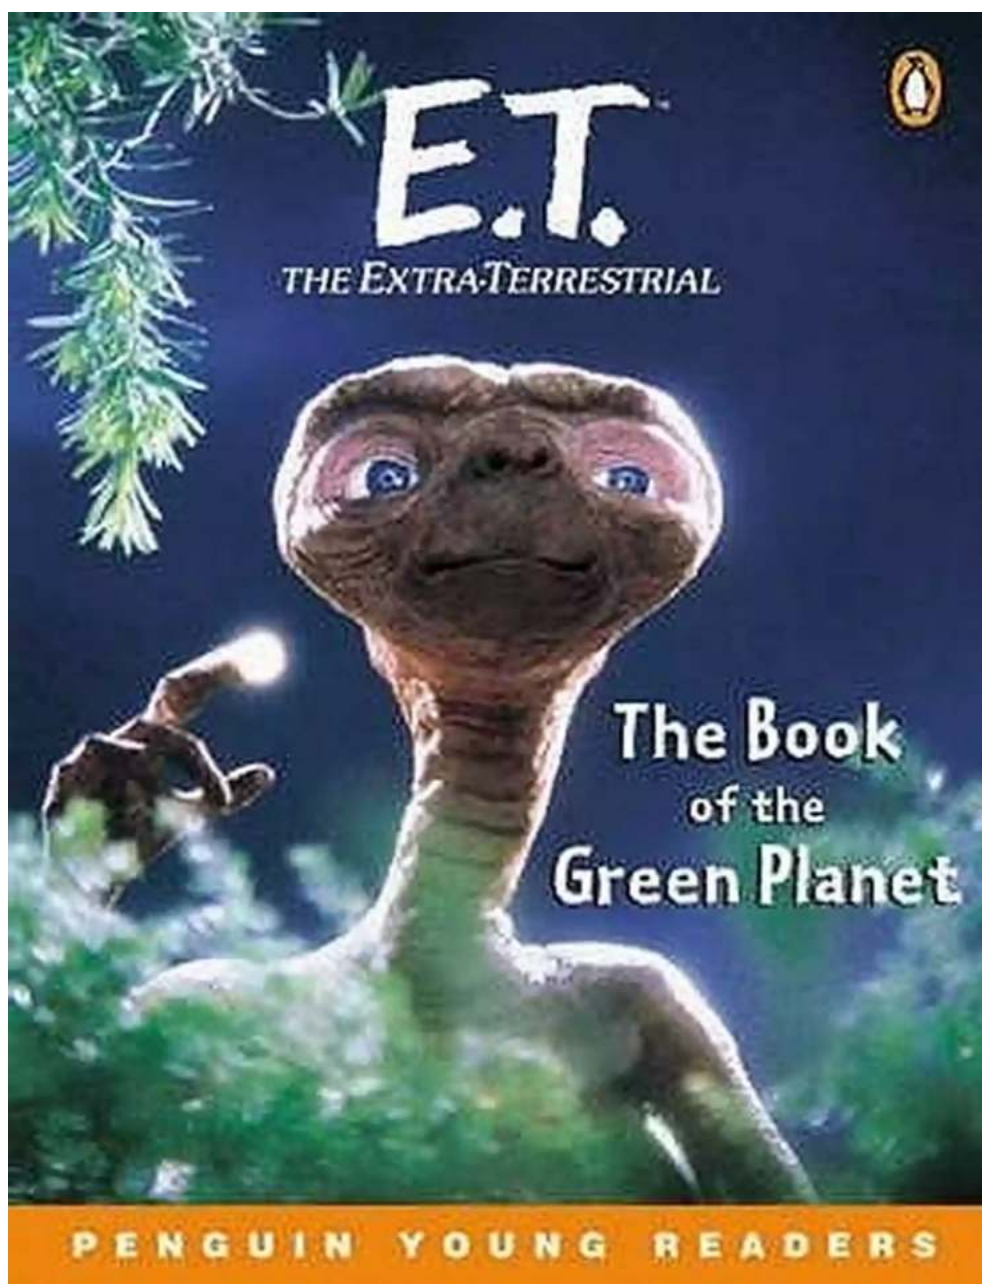

## 2. Firestarter by Stephen King

Stephen King's masterpiece follows the story of Charlie McGee, a young girl with pyrokinetic abilities. With the government after her, Charlie must learn to control her powers while surviving in a world that fears what she can do. This novel's exploration of paranormal abilities and the dangers they pose proves to be a strong influence on *Stranger Things*.

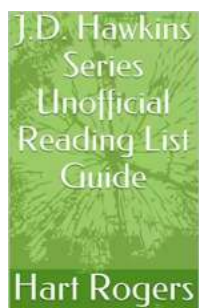

### 3. E.T. The Extra-Terrestrial: The Book of the Green Planet by William Kotzwinkle

Although primarily known as a film, E.T. The Extra-Terrestrial has had an undeniable impact on *Stranger Things*. In this book, E.T.'s adventure continues as he works to save his dying planet. With themes of friendship, loyalty, and alien worlds, this captivating tale has played its part in inspiring elements of the show.
