The Pride of His Youth is not just a time-telling device; it is a work of art. It is designed for those who appreciate the finer things in life and seek to make a statement with their accessories.

Amendment

The Amendment watch from Tods is a testament to their commitment to pushing boundaries and challenging conventions. This timepiece breaks away from traditional watch design, offering a refreshing take on luxury watches.

The first thing that catches the eye is the unique rectangular case, crafted in stainless steel and complemented by a black leather strap. The dial features minimalistic hour markers, making the watch easy to read at a glance. The mechanical movement within is just as impressive, ensuring accurate timekeeping.

The Amendment is a bold, modern watch that effortlessly combines sophistication and versatility. Whether you're attending a business meeting or a casual outing, this timepiece will complement any attire and make a statement.

The Other Man

The Other Man is a watch designed for those who crave exclusivity and refinement. Tods has created a timepiece that embodies the essence of luxury and craftsmanship, setting it apart from the rest.

Featuring an 18kt rose gold case and a brown alligator leather strap, The Other Man exudes opulence. The black dial with golden hour markers creates a striking contrast, exuding an air of sophistication and elegance. The mechanical movement within ensures precise timekeeping, making this watch both visually appealing and functional.

When you wear The Other Man, you reclaim your sense of individuality. It is a watch that demands attention and admiration, elevating your style to new heights.

Tods has established itself as a brand synonymous with luxury, craftsmanship, and innovation. The Pride of His Youth, Amendment, and The Other Man are prime examples of their dedication to creating exceptional timepieces. These watches not only tell the time but also tell a story of elegance and sophistication.

Whether you're a collector or simply appreciate the finer things in life, Tods watches are a must-have. Every watch in their collection represents a horological masterpiece that combines style, functionality, and precision. Choose a Tods watch, and indulge yourself in the world of luxury.

This carefully crafted ebook: "Plain Tales from the Hills" is formatted for your eReader with a functional and detailed table of contents. Plain Tales from the Hills is the Kipling's first collection of short stories, the tales about India and more noticeably about the British in India. The title refers, by way of a pun on "Plain" as the reverse of "Hills", to the deceptively simple narrative style; and to the fact that many of the stories are set in the Hill Station of Simla—the "summer capital of the British Raj" during the hot weather. The tales include the first appearances, in book form, of Mrs. Hauksbee, the policeman Strickland, and the Soldiers Three (Privates Mulvaney, Ortheris and Learoyd). Rudyard Kipling (1865-1936) was an English short-story writer, poet, and novelist. He wrote tales and poems of British soldiers in India and stories for children. He is regarded as a major innovator in the art of the short story; his children's books are classics of children's literature; and one critic described his work as exhibiting "a versatile and luminous narrative gift".
