THE HIT USA TODAY BESTSELLER

Jonathan Drazen's my billionaire boss. Or he was, until he fired me. Now he wants to make a bet.

If I win, he'll give me enough money to not care about this waitressing job.
If he wins, I'm completely and utterly his for the night.
Since a bad breakup, I've sworn off men, but I'll take this wager. He's hot enough to break some rules over. Besides, he's still hung up on his ex-wife. There's no chance he'll want more after the sun comes up.
Just one night, and I walk away from his dark past and his hot demands. I shouldn't walk away in the morning though. I should run right now.
Turns out, when Jonathan Drazen wants something, he gets it, and after our one night, he wants me.
