Can Darcy and Elizabeth set aside their prejudices long enough to avoid the hangman's noose?

Elizabeth Bennet values goodness and charm — both qualities Mr. Darcy blatantly lacks.

Fitzwilliam Darcy values wit and strong opinions — qualities with which Miss Elizabeth is generously armed.

A refused proposal turns into a battle of wills when Mr. Darcy and Elizabeth are forced to endure each other's company at the beautiful estate of Rosings. When an unlikely enemy reveals herself — and ends up dead — fingers are eager to point at Elizabeth. With the residents of Rosings conspiring against her, will Elizabeth's clever mind secure her freedom? Or will her prejudice against Mr. Darcy poison her against her greatest ally?

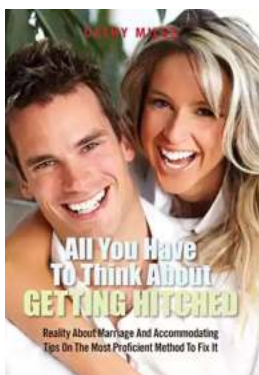

As suspicions rise and the evidence mounts, Elizabeth learns the value of a loyal friend and the forgiveness of love ... but will it be too late?

Darcy would sacrifice his good name, worldly possessions, and family's expectations to save the woman he loves ... if he can win her heart before he loses it all.
