### Editorial Review

“Savannah Homicide Detective Mitch Cannon has a new lady friend, Liza, who walks on the wild side, but his concerns over her take a back seat when his sister Marie goes missing. The next day, his partner and Liza go missing as well, and all three disappearances are somehow linked to one of his past cases, but the police keep coming up empty when they try to find out how. The first installment in this new series is edgy, fast-paced, and often chilling. Sutter’s fans will eat it up.” Angela M., Line Editor, Red Adept Editing
