With her husband and the last of her money gone, Evelyn decides to travel West. But by the time she arrives, she's no longer alone.

Evelyn Quinlan's marriage was never the closest. When she finds herself unexpectedly alone just a few years later, she decides to make a plan for herself, instead of a plan designed to please others. But almost from the moment she gets started, it all seems to go wrong.

When she arrives on the frontier, ready to meet her husband-to-be, he hurries away, leaving her stranded and almost penniless.

Perhaps because somewhere along the way she's managed to acquire a traveling companion.

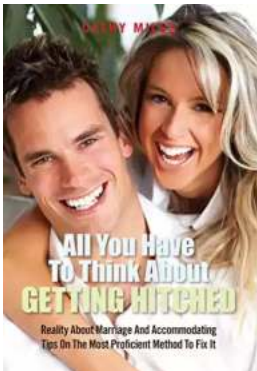

But that's not the end of her troubles.

Wilson Pyke is a good man, but he prefers to keep his own company. If that means sometimes helping stranded travelers, then so be it. At least nobody else will come looking for them if they make it to their destination in one

piece. But when he finds Evelyn Quinlan stranded in the wilderness, something is different. Something about her speaks to his heart.

Neither Evelyn nor Wilson are looking for love. The most Evelyn wants is a little hope, but that seems further away at every turn. Follow our heroes as they discover feelings they didn't know their lives could hold. As they travel through the beautiful wilderness to find love, hope, and family in each others arms.

The Bride And The Baby is a story every Josie Ford fan will love. Watch hope spring from shattered dreams and desperate situations, and fall in love with the characters and the landscape alike.
