Set in the vibrant streets of San Francisco, **The Kiss Quotient** dives deep into the difficulties faced by Stella in understanding the social norms and navigating the dating scene. Helen Hoang beautifully portrays Stella's character, capturing her vulnerability and strength as she embarks on this unconventional journey towards love.

## A Sensual Twist

Prepare to be swept away by the electric chemistry between Stella and Michael. Helen Hoang skillfully infuses passion and sensuality throughout the novel, creating an intense and steamy romance that will leave you breathless. Each encounter between the characters is vividly described, enticing the reader to indulge in their romance.

The author's ability to portray intimacy with care and understanding sets **The Kiss Quotient** apart from other contemporary romance novels. The readers are not only presented with a love story but are also given an intimate portrayal of the characters' desires, fears, and vulnerabilities.

### **A Deeper Understanding**

What makes **The Kiss Quotient** truly remarkable is its portrayal of the protagonist's journey towards self-discovery. Stella's Asperger's syndrome adds layers of complexity to her character, forcing the reader to confront the stereotypes and misconceptions associated with neurodivergent individuals.

Helen Hoang delves deep into the inner workings of Stella's mind, allowing readers to understand her struggles and triumphs on a profound level. Through her storytelling, Hoang challenges societal norms and promotes inclusivity, reminding us that love and happiness come in different forms.

### **A Global Phenomenon**

After its release in 2018, **The Kiss Quotient** quickly gained worldwide acclaim and became a New York Times bestselling novel. Its unique story, well-crafted characters, and heartfelt emotions resonated with readers from different walks of life, cementing its place as a beloved contemporary romance novel.

The book's success also paved the way for the author, Helen Hoang, who is herself on the autism spectrum. Hoang's personal experiences heavily influenced the narrative, adding authenticity and depth to the story. Her debut novel is not only a work of fiction but also a powerful representation of neurodiversity in literature.

**The Kiss Quotient** is more than just a love story. It is a revelatory and emotionally charged novel that challenges societal norms, explores the beauty of unconventional love, and promotes inclusivity. Through her remarkable debut, Helen Hoang has left an indelible mark on contemporary romance literature, proving that love knows no boundaries or limitations.

Immerse yourself in the captivating world of **The Kiss Quotient** and discover the magic that lies within its pages. Experience the electric chemistry between Stella and Michael and join them on their thrilling journey towards self-discovery and true love.

"Hoang's writing bursts from the page."—Buzzfeed

A heartwarming and refreshing debut novel that proves one thing: there's not enough data in the world to predict what will make your heart tick.

Stella Lane thinks math is the only thing that unites the universe. She comes up with algorithms to predict customer purchases—a job that has given her more money than she knows what to do with, and way less experience in the dating department than the average thirty-year-old.

It doesn't help that Stella has Asperger's and French kissing reminds her of a shark getting its teeth cleaned by pilot fish. Her : she needs lots of practice—with a professional. Which is why she hires escort Michael Phan. The Vietnamese and Swedish stunner can't afford to turn down Stella's offer, and agrees to help her check off all the boxes on her lesson plan—from foreplay to more-than-missionary position...

Before long, Stella not only learns to appreciate his kisses, but crave all of the other things he's making her feel. Their no-nonsense partnership starts making a strange kind of sense. And the pattern that emerges will convince Stella that love is the best kind of logic...
