

# The Never King: Vicious Lost Boys - A Dark Tale of Power and Betrayal

Once upon a time, in a land far away, there was a king who ruled with an iron fist. His name was King Damian, and he was known as the Never King. His reign was marked by violence, fear, and deception. The Never King had a group of loyal followers, a gang of ruthless boys known as the Vicious Lost Boys. Together, they held control over the entire kingdom, leaving a trail of destruction in their wake.

The Never King was once seen as a savior, a beacon of hope for his people. But power can corrupt even the noblest of hearts, and King Damian was no exception. He became consumed by his own thirst for power, losing sight of the values and principles he once held dear.

The Vicious Lost Boys were the Never King's most trusted allies. They were orphans, abandoned by their families and left to fend for themselves in a harsh world. King Damian took them under his wing, promising them protection and a sense of belonging. In return, they became his loyal soldiers, obeying his every command without question.

The stories were all wrong — Hook was never the villain.

For two centuries, all of the Darling women have disappeared on their 18th birthday. Sometimes they're gone for only a day, some a week or a month. But they always return broken.

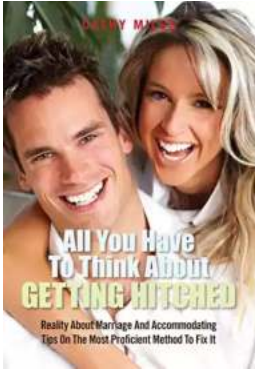

Now, on the afternoon of my 18th birthday, my mother is running around the house making sure all the windows are barred and the doors locked.

But it's pointless.

Because when night falls, he comes for me. And this time, the Never King and the Lost Boys aren't willing to let me go.

NOTE: The Never King is a reimagining of Peter and Wendy. Characters have been aged up for this darker, grittier version. If you like your enemies to lovers romance with hot, ruthless, morally gray love interests, you'll enjoy The Never King and the Lost Boys. You can expect hate kissing, fighting, bickering, and 'touch her and I'll unalive you' vibes. Book one ends on a cliff.
