Unveiling the Plot

"The Unbreakable Code" revolves around a brilliant but reclusive software engineer, Ethan Carter. He leads a double life, working as a cybersecurity specialist by day and a vigilante hacker by night. Tasked with creating an uncrackable code to protect classified information, Ethan becomes entangled in a high-stakes game of cat and mouse when a notorious criminal organization discovers his talents.

As Ethan races against time to protect his loved ones and prevent a catastrophic breach, he must use all his intelligence, wit, and technological prowess. With each chapter, the tension builds and the stakes get higher, propelling readers into a thrilling journey that will keep them guessing until the final page.

The Perfect Blend of Action and Adventure

What sets "The Unbreakable Code" apart from your average crime thriller is the perfect balance between heart-stopping action and breathtaking adventure. From intense car chases to heart-pounding fight sequences, the book delivers an adrenaline rush that will leave you breathless.

But it doesn't end there. James Watson takes readers on an exploration of exotic locations around the world, from the bustling streets of Tokyo to the mystical ruins of Machu Picchu. The vivid descriptions and meticulous attention to detail allow readers to visualize each scene vividly, immersing themselves in the story like never before.

The Intelligence Factor

One of the standout features of "The Unbreakable Code" is the emphasis on intelligence. Unlike traditional action heroes, Ethan Carter brings a unique element to the genre. His expertise in cybersecurity and hacking adds a layer of sophistication to the narrative, satisfying the craving for intellectual stimulation.

Throughout the book, readers not only witness Ethan's physical capabilities but also his quick thinking, problem-solving skills, and strategic planning. The intricate puzzles and code-breaking challenges presented in the story will keep readers engaged and intrigued, making "The Unbreakable Code" a refreshing addition to the genre.

The start of a gripping new crime thriller series introducing Intelligence officer Sophie Racine and featuring ex-SAS officer Aidan Snow!

‘Alex Shaw is one of the best thriller writers around!’ Stephen Leather

A TRAITOR WHO CAN'T BE CAUGHT

French Intelligence officer Sophie Racine is tasked with travelling into the heart of a warzone in Ukraine. Her mission is to assassinate a Russian spy

who took the French secret service apart piece by piece and gave their secrets to the Kremlin.

A PRISONER WHO CAN'T BE KILLED

Ex-SAS trooper and MI6 Officer Aidan Snow is also in Ukraine. Sent by British Intelligence, he must extract an innocent citizen caught up in the conflict in rebel-controlled Donetsk.

A WAR THAT CAN'T BE WON

When their missions collide, Snow and Racine find themselves outgunned and outnumbered. Even if they make it out of the warzone alive, danger won't be far behind...

Perfect for fans of Killing Eve, Chris Ryan, James Deegan and Vince Flynn, this is an explosive action thriller you won't be able to put down.

Don't miss the first book in the explosive Sophie Racine thriller series!
