After years of hiding, I thought I'd escaped him; but you can't hide when you belong to the devil.

Taking away everything that I loved, he thought I'd be his perfect, broken little doll.

Little does he know, I'm not one to bend so easily.

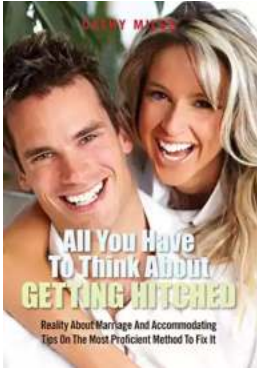

Following his three rules is the key to my salvation, but all rules are meant to be broken—even if breaking them would lead to my death.

When a business meeting takes a tragically unexpected turn, Bennett's armor finally cracks, revealing his weakness.

He may think he's the devil, but the devil can be destroyed too.

With vengeance in my heart, I'll make him pay for what he's done.

In the end only one of us will bow.
And I bow to no man.
