How far would you go to be free? Three generations of women forge a new path through an America torn by a mysterious wave of violence in this

“chilling [and] dizzyingly effective” (The New York Times Book Review) novel of revenge, liberation, and triumph.

“A gorgeously creative and surprisingly gleeful story about the way violence infects every aspect of American life.”—Sarah Langan, author of *Good Neighbors*

“A novel that defines this era.”—Stephen Graham Jones, New York Times bestselling author of *The Only Good Indians*

They call it *The Violence*: a strange epidemic that causes the infected to experience sudden bursts of animalistic rage, with no provocation and no memory of their crimes. While it tears the nation apart, one woman sees something unlikely in the chaos—an opportunity.

Chelsea Martin has been a prisoner in her own home for too long. Her controlling husband has manipulated her for years, cutting her off from all support. Her narcissistic mother is no help, and her teen daughter is realizing she might be falling into the same trap when her once adoring boyfriend shows a dark side.

But when the Violence erupts, Chelsea creates a plan to liberate herself and her daughters once and for all.

What follows is a shocking and thrilling journey as three generations of women navigate a world in which they are finally empowered to fight back. Somewhere along the journey from her magazine-ready Tampa home to the professional wrestling ring, Chelsea becomes her own liberator, an avatar of revenge and hope, and a new heroine for a new world.
