A modern-day dark mafia romance take on Romeo and Juliet.

When Fallyn O’Keefe breaks away from her overbearing brothers to open a bakery on her own, she thinks her biggest problem will be defending her storefront from the violence of the rival family.

After all, how could it be worse than that?

Fallyn soon learns how bad things can get when Vince, the older, terrifying head from the enemy family, shows up with flowers instead of a fight. If either of their families were to get word of their burgeoning romance, the feuding between the families could escalate from fists to firearms.

Vince’s family would rather see Fallyn chased back into the east end of the city with the rest of the brawling O’Keefes, but Vince has other things in mind.

Caught between her family and the possibility of more, Fallyn must decide just how much she’s willing to sacrifice to keep her business, her secret love, and her life.

This is book one in The O’Keefe Family Collection Trilogy, written by Tuesday Embers - a pen name for a USA Today bestselling author.
