Krystina

I had dreams and aspirations, none of which included a man by my side. Been there, done that. Then I forgot my cellphone, and all of my carefully laid plans went to hell.

He wasn't supposed to be there when I fell. I wasn't supposed to get lost in a sea of sapphire blue when he helped me up. And he wasn't supposed to be Alexander Stone, the New York billionaire real estate tycoon.

I saw the dark promises in his eyes when he looked at me. But the shadows of my past haunted me, making me afraid to explore the possibilities I could never before have imagined.

I was used to getting what I wanted. I understood the value of finesse and patience to achieve the desired result. But a chance run-in with Krystina Cole quickly turned my world upside down.

She was strong, determined, devastatingly beautiful—and stubborn as hell. Her quick wit and firecracker attitude was the complete opposite of what I wanted in a woman. But I still wanted to claim her. Tame her. Make her mine.

And I always get what I want.

Heart of Stone is the first book in Krystina & Alexander's epic love story. It's the beginning of the steamy and unforgettable series by Amazon Top 100 Bestselling Author Dakota Willink.
