A lost town controlled by a ruthless family. Now one man stands against them.

Fugitive ex-special forces operative, Tom Rollins, is en route to Mexico when he is forced to detour into the small town of Brenton, Texas, a place whose glory days are far behind it. A powerful criminal family, the McQuades, runs things now and they don't take kindly to strangers.

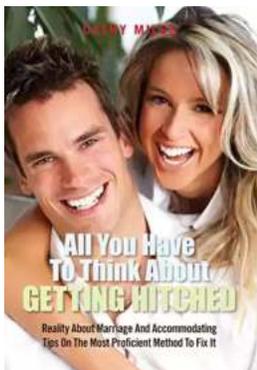

When some of their thugs try to intimidate Tom, he pushes back – hard. The McQuades can't stand for that - they have Tom beaten, arrested, thrown in jail.

If that was all they did, he'd probably let it slide, just leave town. But tough guy Earl McQuade makes a fatal mistake – he steals a pendant from Tom, a piece of jewellery given to him by the woman he loved.

Tom wants that pendant back and he'll do whatever it takes to get it.

The McQuades have powerful allies – corrupt politicians and law enforcement, a lethal biker gang, a small army of foot soldiers. They're not worried about Tom – one guy against all of us, what can he do? They're about to find out.

Wrong Turn – Book 2 of the superb Tom Rollins action thriller series. Perfect for fans of Lee Child, Jason Kasper & David Archer.
